

## High School Discussion Tool

### *Fiscal Analyst*

Name: \_\_\_\_\_

## CAREER AWARENESS:

**Before viewing the video:** In the middle column, write what you already know about each question.

**After viewing the video:** In the last column, write additional information that you learned from the video.

	What I already know	What I learned from the video
1. Can a Fiscal Analyst help set a budget?		
2. Why would a Fiscal Analyst work with leadership?		
3. What does a Fiscal Analyst identify for their organization?		
4. Why does a Fiscal Analyst have to set realistic goals?		
5. What does a Fiscal Analyst mean by "opportunities?"		
6. Why should a Fiscal Analyst understand how a company operates?		
7. How can a Fiscal Analyst spend wisely to make more money?		
8. How could you use Financial Literacy in this career?		

## CAREER EXPLORATION

Explore this career more deeply by finding the answers to these questions:

	Information that I found
1. What type of education would you need after high school if you wanted to become a Fiscal Analyst? Technical school? College? Graduate school? etc.	
2. What is the demand for this type of job (in Ohio? in the United States? Internationally?)	
3. How much does this career pay?	
4. What schools or colleges in Ohio offer programs or courses in this area?	
5. What skills would you need for this career?	
6. What level of Financial Literacy knowledge would be necessary or helpful in this career? Why?	

## CAREER PLANNING

*Research the courses you would need in order to prepare for a career as a Fiscal Analyst.*

	Information that I found
1. Visit the website of an Ohio (or other) college or school that offers a degree in this field.	Name of college/website:
2. What are the types of courses that are required for a degree in this field?	
3. Are there required courses for this degree that surprised you? Which ones?	
4. What scholarship, intern or research opportunities are available that would help prepare you for this career?	
5. During your research, what similar careers did you see that might be of interest to you?	
6. What courses are offered at our high school that would help prepare you for a career in budgeting?  How do the courses that you select early in life open or close job opportunities for you in the future?
