Hi, Susan,

Thank you for your emails. I will work with legal services to provided responsive documents.

I would also like to share that we appreciate the work that delfin accomplished as the LGBT center director, and we wish them the best in their endeavors. The University cannot comment on personnel matters, but it is important to note that this is not a decision that was made or communicated lightly.

Diversity and inclusion is Ohio University's top priority, and this very difficult decision was made in order to advance our commitment to and support of the LGBTQ+ community.

The LGBT center will continue operations as we refine the transition plan in the coming weeks. We will conduct a national search for the center's next director as soon as possible.

Best,
Carly
